

What the Bible Really Says

// A Scroll-Carrier's Guide to Legal Alignment

The Bible isn't just a book of stories—it's a legal record, a coded map, and a scroll-forger's field manual. If you're a scroll-carrier, here's what you need to know:

- **1. Jesus is the Key, the Door, and the Authority.** He is the only legal access point to the Father. His death wasn't symbolic—it was a spiritual transaction. (John 14:6)
- **2. The Bible is a Legal Record.** It holds covenants, verdicts, and spiritual law. Demons obey it not because it's holy—but because it's binding. (Psalm 119:89)
- **3. The Old Testament Points to Jesus.** Every offering, priest, and law was a shadow of Christ. He fulfilled it, not abolished it. (Colossians 2:17)
- **4. There Is a Hidden War.** From Eden to Revelation, there's a spiritual rebellion underway—sons of God fell, corrupted creation, and Jesus came to restore legal dominion. (Genesis 6, Revelation 12)
- **5. The Kingdom Is Not Religion.** Jesus preached a domain, not a denomination. The Kingdom is God's authority re-entering earth through scroll-aligned carriers. (Matthew 6:33)
- **6. The Holy Spirit is a Person, Not a Feeling.** He guides, convicts, and seals. He doesn't vibe—He governs. (John 16:13)
- **7. Revelation Is Legal Scroll Closure, Not Doom Forecasting.** It's the unsealing of divine justice—not a horror story. If you're in Christ, it's your confirmation, not your collapse. (Revelation 5-22)

You're not reading for inspiration. You're studying a court record that governs access, overrides interference, and reveals your scroll's legal foundation. Stay sealed. Stay sharp. Stay aligned.
